H O N E Y C O M B S H A D E S

A close-up photograph of honeycomb shades in a warm, reddish-brown color. The image shows the intricate, woven texture of the fabric and the characteristic hexagonal shape of the honeycomb cells. The shades are partially open, revealing a light-colored, possibly white or light grey, backing material. The lighting is soft, highlighting the texture and depth of the fabric.

**HunterDouglas**

Applause® honeycomb shades make it easy to create the home that's just right for you and your family. This relaxed and adaptable window fashion offers you two pleat sizes and three fabrics, one of which is made with cotton. The palette is a refreshing collection of warm, inviting neutrals and soft colors. Plus, dependable operating systems and innovative design options give you the ability to select the window covering that fits your needs perfectly.

Create your own perfect combination of style and function with Applause® honeycomb shades.

The Top-Down/Bottom-Up feature is ideal for rooms where you need privacy yet still crave natural incoming light.

Our distinctive honeycomb construction traps a layer of air within it – keeping winter cold and summer heat outdoors.

Plus, the fabrics are easy to clean, providing years of lasting beauty.

Applause® honeycomb shades are the perfect solution for creating relaxed and comfortable homes. Homes that reflect your everyday life.

Versatile design options give you numerous choices to cover every window in your home.
