Light, cheerful. It's your choice to look on the brighter side.

Spirited ... restful ... dramatic ... playful.

Brilliance® pleated shades are the essence of creative expression. Built for lasting performance in any room you choose, they bring the décor to life as only Hunter Douglas window fashions can. Explore your imagination with a palette of colors and textures ranging from cool woven neutrals to rich jewel tones, not to mention our enchanting new array of juvenile prints. The exciting features of Brilliance pleated shades provide even more beauty and mood-setting options. Color-coordinated

hardware, Top-down/Bottom-up shades,
and Privacy/View shades that are two
color or texture choices in a single shade.

Arches, angles, corners, skylights,
even round windows also come alive
with our specialty shaped shades.

And to make raising and lowering your
shades a feather light task, request the
EasyGlide® lifting system for large
shades and the LiteRise® touch system

to eliminate pull cords. See all the
expressive choices in the Brilliance®
pleated shade sample book at your
local window coverings store.

Celebrate a world filled with
wonder in any shape you choose.

Decisions, decisions. When it comes to raising and lowering your pleated shades, there's no shortage of exciting options. There's the PowerRise® battery operated remote control system. It allows you to raise or lower your shades from your easy chair. Our LiteRise® touch system is another innovative design created to make life less strenuous. And then there's EasyGlide®, our looped cord system designed to make lifting larger shades easier.

A feeling of being centered and serene, only the essentials.

At Hunter Douglas, we stand behind our products. Each comes with a lifetime limited warranty, and is designed with safety in mind.
