

complements™

*Country Woods and Crosswinds.
Naturally Coordinated.*

The Complements™ program provides you with an innovative way to combine Country Woods® wood horizontal blinds and Crosswinds™ wood vertical blinds.

Together they create a seamless flow of color and style with the natural beauty of wood.

- Choose from ten popular Country Woods Classics™ wood stains and finishes.
- Coordinating decorative valance profiles create a harmonious look.
- Perfect for rooms with a combination of windows and doors.
- Brings a coordinated feeling to open space plans.

All Crosswinds wood vertical blinds come with a lifetime limited warranty.

Crosswinds™

WOOD VERTICAL BLINDS

Experience Nature's Beauty.

Introducing Crosswinds™ wood vertical blinds, the perfect companion to the ever-popular Country Woods® wood blind collection.

The Crosswinds collection offers both beauty and functionality by combining the warmth and richness of genuine hardwood with modern ingenuity.

Crosswinds™ Design Features

The Natural Beauty of Wood

Crosswinds™ wood vertical blinds radiate the great outdoors in every wood vane. The vanes display rich color variation and distinct grain patterns, which make these blinds truly beautiful works of nature.

- 100% basswood vanes with finger-jointed construction for durability and strength.
- Each vane has beautiful wood grain patterns enhanced by a multiple-step finishing process for consistent color and appearance.

TOPSHIELD™ Finish

TopShield™ finish provides the ultimate protection for your wood blind investment. A clear top coat is applied to every vane and valance.

Crosswinds wood vertical blinds are 100% basswood. There will be variations in color, grain, texture and warpage that are characteristics of real wood. The variations are natural and considered acceptable quality.

Crestover™ Valance

This beautifully designed contoured valance is the perfect enhancement to your Crosswinds™ wood vertical blinds.

Valance Features

- All Crosswinds blinds come standard with a decorative 4 1/2" Crestover™ valance.
- Color matched to the wood vertical vanes.
- Coordinates with the Country Woods 3 1/4" Grandover™ valance profile.
- Can be used with Country Woods horizontal wood blinds.
- Crestover valance includes a dust cover.

PERMALIGN®

Headrail System

Guaranteed to keep verticals in alignment and provide a lifetime of trouble-free operation.

Headrail Features

- Posi-Tilt® Carriers are guaranteed for the life of the track and keep vanes synchronized forever.
- Highest quality, polished, stainless steel spacing links assure equal track spacing for smooth and easy operation.
- Standard controls are chain and cord, complete with color-coordinated tassels and cord tensioner.
- Crosswinds wood vertical blinds come standard with color-coordinated hardware.
