Hunter Douglas provides many innovative ways to raise and lower your shades safely and beautifully.

Welcome to the abundant world of Duette® honeycomb shades. Where soft, seamless fabrics are fashioned into crisp, long-lasting pleats. Four fabric opacities – from sheer to opaque – create light control and privacy options you’ve never dreamed possible. And with the widest selection of pleat sizes in luscious colors, fabrics and textures, including linen-like Batiste, your most difficult decision will be deciding which one to choose. Every Duette shade

provides superior energy efficiency: the honeycomb itself captures the air to help insulate your home, keeping it warmer in the winter and cooler in the summer.

No window shape, size or location is too difficult to cover with our exclusive specialty design options. And to top off this extremely versatile collection, durable Duette® honeycomb fabrics are treated to resist dust and dirt making routine care and cleaning a breeze.

For a lifetime of unparalleled beauty.

Duette fabrics offer pleat sizes to meet every whim, from the classic 3/8" to the bold 1 1/4" pleat.
