

THE EVERWOOD® COLLECTION

ALTERNATIVE

W O O D B L I N D S

A close-up photograph of HunterDouglas wood blinds. The image shows several horizontal wooden slats in a warm, medium-brown tone. The slats are slightly angled, creating a sense of depth and texture. The background is a soft, out-of-focus light blue, suggesting a sky or a window view. The overall aesthetic is clean, modern, and natural.

The EverWood® Collection
from Hunter Douglas
is the perfect
decorating partner.

The EverWood® Collection was designed to let you bring the beauty, warmth and look of wood to any room in your home. These blinds defy the laws of nature and stand up to the elements like no other alternative wood blind can.

The EverWood Collection comes in a variety of slat shapes, styles and finishes that offer the beauty and durability you have come to expect from Hunter Douglas.

The EverWood Collection gives you everything you need to make your home a warm, welcoming place and a true reflection of you.

Better
THAN EVER.

Something for everyone, and every window.

Introducing TruGrain™ . . .
the most realistic alternative wood blind finish ever.

Our exclusive TruGrain™ finish has to be seen to be believed. Thanks to a proprietary process, these blinds look more like real wood than you ever imagined. TruGrain finish is available on EverWood® and EverWood® X-tra blinds.

Better
THAN EVER.

There's never been a better blind.
And we can prove it.

In test after test, no other alternative wood blind handles the heat, humidity and sunlight like the EverWood® Collection. We guarantee it!

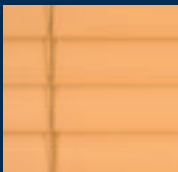

- Won't bow even in extreme heat
- Won't warp even in humid and moist areas
- Won't fade or yellow even in direct sunlight
- Thicker slats and wider tape spacing mean a less obstructed view and a better finished look

More options than ever

de-Light™

- Maximum privacy and light control
- Blocks out 50% more light than standard rout holes
- Gives you a more beautiful look, and all the privacy you need

PowerTilt™

- Tilts blinds from up to 50' away by remote control
- Operate individual blinds or groups of blinds
- Perfect for large or hard-to-reach windows

Decorative Tapes

- Choose from a wide selection of colors to customize your blinds

Valances

- Customize your blinds with one of three 3 1/4" valance upgrades: Windsor, Stratford, or Bristol Deluxe

At Hunter Douglas, we stand behind our products. Each comes with a lifetime limited warranty, and is designed with safety in mind.
