A twist on tradition. These Lantana™ 2 3/8" standard hinged shutters let you control the light and the appearance of your room.

The resort-like atmosphere captured by Palm Beach™ custom shutters is sure to exhilarate your room décor. At the same time, the White, White Silk and Off-White color palette provides a relaxed and soothing atmosphere. Offered in 2 3/8" and 3 3/8" louvers, they're a valuable addition to any room. (Your friends may even be jealous.) They're quite appealing to traditional and contemporary tastes. We made them incredibly practical, too. Fabricated with our UV resistant Poly-Satin compounds, Palm Beach shutters will not warp, crack, chip or shrink.

Talk about maintenance-free. The lustrous, semi-gloss finish never needs sanding, staining or painting. Have we peaked your interest? Let us tempt you even more with two styles to choose from. Palmetto™ features the classic design of a tilt-bar system to open and close the louvers. Lantana™ allows you to open and close all louvers at once with the touch of your finger. Whatever you choose, both styles are available in the standard hinged panel system, or the bi-fold and bi-pass track systems. Palm Beach™ custom shutters. Your paradise is waiting.

With louvers open, simply glide and stack the 2 3/8" Lantana bi-pass shutters for a more open view.

A closer look at Palm Beach™

Decisions, decisions. There's no mistake when we say "custom" shutters. Did you know they fit just about any window? Not to mention every latitude. They're equipped to handle heat, cold, humidity and everything in between. With a little soap and water, they'll always look new.

Closed? Open? Half way? You decide
with the Palmetto™ 3 3/8" shutters.

At Hunter Douglas, we stand behind our products. Each comes with a lifetime limited warranty, and is designed with safety in mind.
