Take a new view of your windows and create your own vision, choosing from unexpected tones and textures.

Never have shades been so stylish, sophisticated, fun, fresh ... anything but ordinary. With Remembrance® window shades, all you have to do is gaze at your blank window and imagine the possibilities. Whatever you come up with, chances are we've got it. You can even order extra matching or complementary Fabric by the Yard  to pull your interior design through the room. Hunter Douglas has introduced a colorful bouquet of prints on top of our already dazzling array of shade choices. You're sure to find anything your discriminating taste desires. There is even a cheerful

selection of juvenile fabrics to brighten the kids' rooms. Once you have a fabric in mind, start browsing the many hem styles, decorative trims and color options. Now what about the roller? Concealed or not? And light control? Sheer, semi-sheer, semi-opaque or opaque? And if you choose our SoftRise™ lifting system, your shade will slowly raise when released. Next, pick out your favorite decorative pull, the perfect finishing touch. Explore all your possibilities in the new Remembrance sample book at your local window coverings store.
