Covering arches, bays, skylights and Palladian windows has never been easier thanks to our innovative specialty hardware systems.

Hunter Douglas elevates vertical blinds to an unprecedented level of style and fashion. Our Premium Collection includes two remarkable new programs designed to enhance any décor. Somner™ Custom Vertical Blinds feature a wide range of vinyl and fabric styles with the colors, textures, patterns and privacy options to suit any lifestyle. Our award-winning Cadence™ Soft Vertical Blinds combine a unique curved profile with the soft look of fabric. Both Somner and Cadence

vertical blinds feature the Paramount®

Contoured Headrail System which

eliminates light gap and provides a

flawless finish from top to bottom.

Our Choice Collection, including M3™

Textured Vinyl Verticals and Vertical

Solutions® Blinds, brings together the

latest designer looks in vertical fashions

at attractive prices. No matter which

Collection you select, experience the

quality, fashion and functionality of

Hunter Douglas custom vertical blinds.

Allow light to filter into the room during the day and then provide privacy at night with Lutex™ Translucent Vinyl Blinds, available in the Somner™ and Cadence™ Collections.
